Please update, both RenWeb and the emergency form, regularly.

**Accident Insurance:**

All students enrolled in a Diocese of Phoenix Elementary School will be provided accident insurance worldwide, while on school grounds when school is in session; while taking part in a school sponsored and supervised activity; or while attending school sponsored and supervised religious services or instruction. If a student suffers a covered "accidental injury", the necessary documentation/forms for filing a claim will be provided to the parent or guardian by the school nurse or administrator.

**Illness:**

If your child shows signs of illness, whether or not they have a fever, please do not send your child to school. If your child is running a temperature above normal, the child should be kept home until the temperature has remained normal (98.6) for one day, without the use of fever reducing medication (i.e. Tylenol® or Motrin®). As always, the nurse's office should be notified if your child is ill.

Please inform the Nurse's Office of any pertinent medical conditions regarding your child. All health matters are regarded as confidential and information is provided only to appropriate school staff as necessary for a child's well-being and as agreed upon in collaboration with parents/guardians.

**Immunization:**

In accordance with Arizona law, students must have proof of all required immunizations, or a valid exemption, in order to attend school. Parents must furnish documentary proof of such. This information must be provided at the time of registration. Students must be in compliance within 15 days of entering school. The statutes and rules governing school immunization requirements are: §ARS15-871-874; and Arizona Administrative Code, R9-6-701-708.

**Medicines:**

If it is necessary for your child to receive medication at school, please follow this procedure:

1. An OLMC medication permission form must accompany the medication (This includes over-the-counter medications such as ibuprofen, cold remedies, etc.). The form will include dosage, time to be given and the duration of the treatment. The parent must sign the form.
2. All medicines must be in the original prescription container or the original over-the-counter container. Pharmacies will be glad to give you an extra bottle if you desire to keep some of the medication at home. Any medicine not in the original container will not be dispensed at school.
3. All medication including pain relievers and inhalers must be kept in the nurse's office. Students are not permitted to keep medication for their personal use with them. The exception to this is for rescue inhalers and epinephrine auto-injectors (Epi-Pen®). In accordance with Arizona state law, a student is permitted to "self-carry" these emergency medications. A self-carry form is available in the Nurse's Office and must be signed by the parent and student.

4. Medications classified as Class 1 Controlled substances **will not be administered** at school.  
A student with a condition requiring narcotic pain relief should not attend school until able to manage pain with over-the-counter pain relievers.

### **Communicable Diseases:**

The school adheres with all guidelines from the Arizona Department of Health Services regarding school attendance and communicable diseases. Please alert the school nurse if your child is absent due to a communicable disease. The school nurse will report communicable disease to the appropriate agencies in accordance with Arizona Administrative Code requirements. In the event of cases of vaccine preventable illness (i.e. measles, whooping cough) students who are un-immunized or under immunized, may be excluded from school as mandated by the Health Department.

### **Lice:**

Head lice infestations occur equally in all communities and are not associated with poor hygiene, unclean living conditions or lower socioeconomic status. The management of pediculosis (head lice) should not interfere with the educational process. The Protocol for Management of Pediculosis is in accordance with Arizona Administrative Code (AZ R9-6-355) and adapted from the National Association of School Nurses and the American Academy of Pediatrics, and is available in the Nurse's Office. In all cases, the student's privacy and family's right to confidentiality will be maintained to the greatest extent possible.

Additionally, the nurse will work with teachers and room mothers to assure that classrooms are safe for students with allergies. Training in the administration of emergency epinephrine is provided for all staff, annually.

## PARENT/TEACHER COMMUNICATION

Our Lady of Mount Carmel Catholic School Community has a strong parent communication system that enables parents to keep abreast of their child's learning. This involves:

- Renweb
- The School Website: [www.olmcschool.info](http://www.olmcschool.info)
- Weekly Newsletters sent via email
- Parent-Teacher Conferences
- Social Media Accounts

Communication beyond these formal means is done via website updates, phone, email and conferences upon request. Parents should keep in mind that the teachers' time is limited given the extensive breadth of their responsibilities and the number of student they teach. Parents should do their best to schedule an appointment when it is necessary to meet with a teacher in person. **Because teachers utilize the morning time to arrange the daily learning experiences for students, an appointment should be made if a before school meeting is necessary.**

### Chain of Communication for Parents:

1. Classroom Teacher
2. Assistant Principal
3. Principal
4. Pastor

**Parent-Teacher Conferences:** Formal conferences for all families are scheduled following the end of the first quarter. Conferences are held in the spring per teacher/parent discretion. Parents are encouraged to confer with teachers throughout the year when necessary.

## **PHOTO POLICY**

### Photo Release Form

All families must sign a release granting the Catholic Diocese of Phoenix and Our Lady of Mount Carmel Catholic School the use of their name and likeness or child's name or likeness, whether in still, motion pictures, audio or video tape, photograph and/or other reproduction including voice and features with or without names of any promotional purposes involving the Diocese or school, news feature stories in The Catholic Sun or other media or other purpose whatsoever, except for the endorsement of any commercial products. The Catholic Diocese of Phoenix and Our Lady of Mount Carmel Catholic school may use, or cause to be used, these items for any and all broadcasts, publications or reproductions, without limitation or reservation of any fee.

## **SPORTS**

The sports offered are:

Fall

Boys: Flag Football & Cross Country

Girls: Volleyball & Cross Country

Winter

Boys: Basketball

Girls: Softball

Spring

Boys: Baseball

Girls: Basketball

### **Academic Requirements for Participation**

For a student to participate in extra-curricular activities, the following policy applies:

- Students must maintain a minimum 2.0 grade point average (G.P.A.) with no failing grades (F's). Any student who does not meet these requirements will be removed from sports activities. The student will not be able to participate in practices or games in the athletic sport for a period two weeks. The athlete should use this time to focus on the course(s) where they are struggling. At the end of the two week period, the athlete's G.P.A./grades will be reviewed. If they have met the requirements for participation, they will be reinstated, but if not, the inactivity will be continued every two weeks until the athlete regains eligibility.
- At progress report time, if a student has a D in any subject area, the student will receive an academic warning letter informing them of their grade. This is a notice for the parent and student of the academic grade. This does not prevent a student from participating in sports/extra-curricular activities. Students will be informed of their probation and reinstatement via a letter issued by the Athletic Director.
- A "U" in the Behavior category places a student on probation for the following quarter. When a student is on probation, he/she may not join any new activity during that quarter.

### **STUDENT DISCIPLINE**

Good habits of conduct and proper attitudes toward school originate in the home. It is not expected that a child will learn self-discipline in school if that development has not been started at home. The school is an extension of the home and shares the responsibility with the parent to help the student develop appropriate behavior and effective learning habits. To achieve self-discipline in the classroom, the students need to understand the rules and know the consequence. Self-discipline is a skill and it takes time to develop. Much unacceptable behavior occurs because children are children and they make mistakes in the process of growing up. Usually a serious talk, "time out" during recess, work that is a natural consequence of the child's action, or a talk with the principal is sufficient to bring about change. However, if no change in behavior occurs, other steps will be taken to maintain a reasonable standard of behavior and a good learning situation. Every student has the right to a proper learning environment and the actions of a few students cannot be allowed to detract from the educational welfare of all the students.

There are many privileges for students at Our Lady of Mount Carmel School particularly in the 8<sup>th</sup> grade. Inappropriate behavior by a student can result in the loss of some or all of these privileges.

From parents, we need, expect and require honest and consistent cooperation to implement the spirit as well as the letter of the Handbook's guidelines and rules. The Diocesan Handbook of Policies and Regulations for Catholic Schools states that "Parents or

guardians are expected to support teachers and administrators and to recognize that disciplinary action entails the exercise of judgment, often under pressing circumstances.”

**Expectations of Students:**

- Make a sincere effort to learn
- Complete all assignments to the best of his/her ability
- Conform to classroom standards of behavior
- Follow school rules
- Always obey staff and monitors at lunch/recess
- Conduct themselves appropriately by not entering restricted areas
- Abide by all school rules, classroom rules, policies and instructions
- Comply with any disciplinary actions taken as a result of failing to abide by any OLMC standards and rules

Any conduct both in and out of school that reflects negatively upon the reputation of the school may be subject to disciplinary action. The school reserves the right to discipline a student for actions committed off-campus if they are intended to have an effect on a student or they adversely affect the safety and well-being of a student while in school.

Certain types of behavior are totally inappropriate in a Christian learning center. The following actions committed by pupils while under the jurisdiction of the school may be reasons for being kept after school, suspension or expulsion:

- Use or possession of narcotics, alcohol or tobacco on or near school premises.
- Action gravely detrimental to the moral and spiritual welfare of other pupils.
- Habitual profanity or vulgarity.
- Vandalism
- Cheating/Plagiarism
- Accessing inappropriate websites
- Assault, battery or any threat of force or violence directed toward any school personnel or pupils.
- Persistent insubordination.
- Stealing.
- Habitual truancy.
- Willful cutting, defacing or otherwise injuring in any way property, real or personal, belonging to the school.

- Possession of a weapon on school grounds. What constitutes a weapon is within the sole and absolute discretion of Our Lady of Mount Carmel Catholic School and local authorities.
- Leaving school grounds without permission. Once a student comes on the school property, she/he is not to leave except by following the procedure set forth in the handbook.

**Suspension/Expulsion:** Suspension is the temporary removal of a student from the classroom and/or school. Expulsion is the permanent removal of a student from the school.

There are those rare times when the school makes a decision with which a parent or guardian disagrees. If attempts to deal with the matter are unsuccessful, the school reserves the right to require a parent to withdraw from the working partnership.

Any appeal of decisions by the principal should be directed to the pastor.

## **BULLYING POLICY**

### **Introduction**

This policy has been created to support our school's mission, to support our Christian commitment to provide a safe environment for all, and to support our students in developing the self-direction and skills necessary for positive social interaction.

### **Bullying Definitions**

*What is Bullying?*

Bullying is an act which is an intentional, repeated act of aggression, based on an imbalance of power, which is meant to harm a victim either physically or psychologically. Cyber bullying is using technology including computers and cell phones to harass, hurt, intimidate, or embarrass someone.

*What Bullying is NOT*

It is important to understand that bullying is not the odd occasion of a falling out with friends, name-calling, arguments or when the occasional trick or joke is played someone. It becomes bullying if it is done several times on purpose.

Children sometimes have a falling out, hurt each other or say things because they are upset. When occasional problems of this kind arise it is not classified as bullying. It is an important part of children's development to learn how to deal with friendship breakdowns, the odd name-calling or childish prank. We all have to learn how to deal with these situations and develop social skills to repair relationships.

### **Prevention**

Bullying prevention begins with all members of our community being able to communicate clearly about the concerns and issues. Learning to distinguish the difference between normal social ups and downs, negative social behaviors such as meanness and rudeness, and actual bullying is part of the process for all of us.

### **Reporting Procedures**

The goal of Our Lady of Mt. Carmel School's anti-bullying policy is to ensure that all students experience a safe, Christian environment that is conducive to learning.

All members of Our Lady of Mt. Carmel School community have the right and responsibility to report incidents of concern regarding negative social behaviors and bullying so that together we can maintain a safe environment for all and practice the skills necessary for positive relationships within the community. School administration and teachers are not always present to witness incidents or areas of concern, and therefore, can only intervene when they are informed.

The following steps will be taken when dealing with bullying incidents:

- Whenever possible, any incidents which may constitute bullying should be reported immediately to the teacher in charge at the time of the incident. The teacher in charge at the time of the incident will immediately deal with those involved in the incident.
- In some cases, students may choose to report the incident to a different adult in the building, such as their homeroom teacher, a secretary, or the principal. If so, students are encouraged to report as soon as possible following the incident(s).

- The principal or teacher in charge should be made aware of any bullying incidents. Students engaging in bullying behavior will be disciplined accordingly. Depending on severity and length of incident, parents may be notified.
- If the bullying does not cease after the student has been disciplined, parents will be notified and other action will be taken accordingly, up to and including withdrawal from the school.

In addition to the above outlined steps, anti-bullying policy depends on the following:

Teachers and Staff members of Our Lady of Mt. Carmel School:

- Remaining alert to signs of bullying and act promptly and firmly against it.
- Reporting incidents of bullying to the principal or teacher in charge, who will determine if further disciplinary action should be taken, and/or if parents should be notified.
- Offering support and encouragement to students being bullied, including notifying parents, principal, and/or support staff as needed.
- Encouraging all students to refrain from bullying behavior, and encourage reporting of any bullying behaviors they witness.

Parents of Our Lady of Mt. Carmel School students:

- Reporting concerns of bullying behavior to their child's appropriate teacher as soon as possible following the incident(s). If concerns are not handled sufficiently at this level, a report should be made to the principal.
- Supporting the school's anti-bullying policy and actively encouraging their child to avoid bullying behavior.

Students of Our Lady of Mt. Carmel School:

- Reporting incidents of bullying they witness to the teacher in charge at the time of the incident, or to another staff member as soon as possible following the incident. Whenever possible, standing up for the student being bullied, and refraining from joining in bullying behavior. Treating others with the respect and dignity that is expected of any Catholic school student.

*All reports of bullying concerns will be handled seriously and promptly by the faculty and administration. School administration will maintain records of all reports filed during the school year. Appropriate confidentiality will be maintained in order to protect all of the individuals involved in the matter.*
